No detail overlooked, with stunning custom touches throughout

5 BEDS, 3 BATH, 2493 SQ FT

No detail overlooked in this complete midtown remodel. Gorgeous open floorplan unites two living spaces with a beautiful modern kitchen. Gas fireplace off the dining area, and three bedrooms on the main floor include a flex space for office use. Primary bedroom features a stunning walk-in shower, a subtle cedar-lined closet and still has room for an Alaskan King. Basement boasts a kitchenette, large living room, two bedrooms, beautiful 3/4 bath and storage with ample space for a 2nd laundry room. Third entrance can be used exclusively for basement entry thanks to flexible arrangement with locking pocket door off kitchen. All new kitchen appliances, flooring, and lighting throughout. Beautiful tilework, custom touches galore and new paint on every inch of the interior and exterior. Fenced yard with storage shed, patio and brand new flatwork in the front of the house along with tasteful cedar touches. Do. Not. Miss!

Offered at \$585,000
